The course is the same as 2019. It is a slightly undulating, rural and picturesque 10 mile loop on country roads with two water stations on the route. Medical support on route and at the finish is provided by Med-PTS - please contact a marshal if you need assistance.

The start is on Ringsfield Road outside the school at 11:00. Please remain in the school car park until marshals direct you to the start so that traffic can pass.

The finish is on the school field – please do not distract the timekeepers, all results will be available on <http://totalracetiming.co.uk/> after the race.

NOTE: iPods, MP3 players etc – for safety reasons the use of these devices is prohibited during this race as it is on open roads therefore we need you to be alert and aware of everything that is going on around you at all times. If you are seen using any headphones or bone conducting headphones during the race you will be disqualified and not credited with a finishing time in the official result.

Please advise supporters to avoid driving on the course during the race to avoid congestion
